

2021 WWII Heritage Days Sponsorship Program

October 9, 2021, 9am-5pm

Atlanta Regional Airport-Falcon Field

The 17th annual CAF Airbase Georgia WWII Heritage Days event is a great opportunity to show support for our WWII veterans and acknowledge the tremendous sacrifices and contributions made by the Greatest Generation. This event is a great bridge to educate young people about the rich history of this country and stimulate interest in aviation for the future.

CAF Airbase Georgia offers the following sponsorship opportunities for companies and organizations interested in sharing our mission.

1. \$1,000 Mustang level (banner visibility all day, four tickets including lunch passes, \$100 discount on aircraft ride. Discount good until 12/31/2021.)
2. \$500 Dauntless level (banner visibility all day, two tickets including lunch passes, \$50 discount on airplane ride. Discount good until 12/31/2021.)
3. \$100 Corsair level (two tickets including lunch passes)

We welcome community participation and the opportunity to extend the work and educational outreach of CAF Airbase Georgia. We already have statewide elementary school education units and are working with local high schools and state universities to advance the knowledge and interest in aviation and aviation careers.

For sponsorship, contact Public Information Officer Steve Forsyth, sforsyth106@gmail.com
